

On behalf of the University of Wollongong and its graduating Visual Arts and Design students, we would like to offer you the opportunity to sponsor our graduation exhibition.

The Graduate Exhibition will be held on the 28th November and is an opportunity for the students to showcase their creative talents and abilities to the greater community.

The Graduate Exhibition Committee is currently seeking financial support from local business to aid in the production of a memorable show. In sponsoring this exhibition you will be supporting emerging artists and designers from the University of Wollongong. By participating your business will be acknowledged within the exhibition catalogue, as well as receiving a personal invitation to the exhibition opening night.

Sponsorship can be made by providing products or prizes for our guessing competition or by making a cash, cheque or money order contribution (payable to the University of Wollongong). Any contribution exceeding \$200 will qualify for our sponsorship packages, which offer additional benefits (see attached).

We would greatly appreciate any support you could provide to celebrate this major achievement by the School of Visual Arts and Design graduates.

For any information please contact Stacie Cutifani or Claire Foxton on the details listed below.

Yours thankfully,

The Graduation Committee 2008.
